

# VULCAN

## Heavy Duty Butyl Degreaser

VULCAN is an ultra-concentrated, premium quality, heavy duty liquid cleaner and degreaser with a strong butyl and caustic base. Contains no soap or phosphates, and all surfactants are biodegradable; works equally well in soft or hard water. Ideal for removing excessive oily residues from painted or unpainted surfaces. Especially effective in the removal of light polymers, latexes, rubber preservatives, and oxidation from paint. Excellent for degreasing automotive engines, marine engines, preparing metal prior to painting, cleaning painted and unpainted machines and equipment.

Heavy equipment cleaning, oil field cleaning, truck washing and degreasing, internal tank washing, building cleaning and maintenance, floor stripping, kitchen hoods, vents, grills, ovens, fans.

Can be diluted up to 1 to 40 with water. For extreme oil removal, use undiluted for quickest response. For marine engine cleaning, and under-hood auto and truck cleaning, dilute Vulcan with up to 3 parts water. For chassis cleaning, general fleet washing dilute Vulcan with up to 25 parts water. For internal tank washing and padding, use as needed per application. For kitchen use, dilute with up to 10 parts water for floor cleaning, and as needed for vents and grills, depending on grease accumulation.

### SPECIFICATIONS FOR VULCAN

Appearance.....	Clear, pale amber
pH.....	13±.5
Specific Gravity.....	1.09
Percent Active.....	30-35%
Flash Point.....	None
Dilution.....	Up to 25:1 with water
Foam.....	Low-Moderate
Hardwater Tolerance.....	Excellent
Ammonia.....	None
Butyl.....	Yes
Phosphate.....	None
Storage Stability.....	Excellent, indefinite
Biodegradable Surfactants.....	Yes
USDA Registered?.....	Yes

HMIS RATINGS			
Health	<b>2</b>	Flammability	<b>0</b>
