

AMAZE

Non Butyl All Purpose Cleaner

Product Description

AMAZE is a concentrated, versatile, hard working, multi-surface, all purpose cleaner for Industrial, Institutional, and Commercial facilities. It can be used for pressure washing, as a cleaner for food processing facilities, for machinery cleaning and degreasing, etc.

AMAZE is a hard working blend of biodegradable wetters and emulsifiers that remove and suspend oil, grease and dirt, builders that emulsify fats and oils, and chelating agents for effective "no film" cleaning in hard or soft water. AMAZE is phosphate free, contains no solvents, and is safe to use on any surface not damaged by water alone. For cleaning, AMAZE is amazing!

Uses & Directions

Amaze is recommended for cleaning most soil found on walls, floors, plastic surfaces, vinyl, painted wood, ceramic, metal, rubber, aluminum and stainless steel. It is effective at removing black heel marks, oil, grease, lipstick, pen, crayon, and many other difficult to remove types of dirt. Simply spray and wipe.

Health Hazard Summary

Causes irritation to eyes. Prolonged exposure may irritate skin. Mists or sprays may irritate eyes, nose, and throat.

Specifications

Appearance	Pink liquid
pH	12.5 -13.5
