

MOP-N-STRIP

Mop On Floor Finish Stripper

No Machine Scrubbing Required

- **Labor saving**
- **Fast Acting**
- **Versatile: use with or without machine scrubbing**

MOP-N-STRIP is an extremely powerful water-based floor finish stripper formulated to eliminate the need for machine scrubbing when stripping floors. It's high strength formula is able to loosen even aged or burnished finish buildups without aggressive agitation.

For scrub-free rinsing, simply apply with a mop, allow to stand for 5-10 minutes, lightly agitate with a mop or automatic scrubber and vacuum up the solution. If scrub-type stripping is preferred, dilute 1 part Mop-N-Strip with 10 parts water, and let stand on floor for 10 minutes. Then scrub with a stripping pad and vacuum up the spent solution. Be sure to rinse thoroughly to insure that floor is clean and bare before applying floor finish.

SPECIFICATIONS FOR MOP-N-STRIP

Appearance.....	Clear liquid
pH.....	13±.5
Specific Gravity.....	1.06
Flash Point.....	>200° F
Dilution.....	Up to 10:1 with water
Foam.....	Low-Moderate
Hardwater Tolerance.....	Excellent
Ammonia.....	Odorless
Butyl.....	Yes
Phosphate Free.....	Yes
Biodegradable.....	Yes
Storage Stability.....	Excellent, 1 year under normal conditions
Freeze/Thaw Stability.....	Freezes at very low temperature. Usable after thawing with no change in performance. Agitate after thawing and before use.
