

NEUTRAL CLEAN

Mild pH Hard Surface Cleaner

Product Description

Completely synthetic **NEUTRAL CLEAN** is a heavy duty general purpose cleaner that is safe to use on any surface that is not harmed by water alone. This includes floors, walls, food equipment, cars and trucks, field equipment, etc. **NEUTRAL CLEAN** is moderately foaming, biodegradable, and free rinsing. It is the ideal product for maintaining finished or unfinished asphalt tile, vinyl and vinyl composition, terrazzo, concrete, marble, and ceramic and quarry tile floors as well as a conditioning newly stripped floors in preparation for refinishing.

Uses & Directions

For light cleaning, use 2 to 4 ounces detergent per gallon of water. Mop or sponge the area to be cleaned. Pick up excess fluid, let the area dry, and buff for added luster.

For heavy cleaning, use 4 to 8 ounces detergent per gallon of water. Allow the solution to remain on the floor for 5 to 10 minutes, then remove from the floor.

For exceptionally dirty floors, use a scrubbing machine or stiff brush. Rinse the surface to remove cleaner.

Health Hazard Summary

Irritating to eyes. Prolonged or repeated contact may irritate skin.

Specifications

Appearance	Green liquid
pH	7.1±.1
Specific Gravity	1.01
