

NO DOUBT

One Step Industrial Truck Wash

Product Description

NO DOUBT is a heavy duty acidic liquid cleaner for the heavy trucking industry. Formulated from the ground up, NO DOUBT is a buffered blend of chelates, detergents, water soluble solvent, and acids that quickly cut through road dirt and grime, brake dust, oxidation and exhaust smoke. NO DOUBT leave wheels and rims clean and bright with little or no scrubbing. This product is safe for commonly used metals, not irritating to nose and eyes, and all surfactants used are biodegradable.

Uses & Directions

Use NO DOUBT on all heavy trucks and trailers, earth moving equipment, stainless steel road tankers, tank containers, etc. Especially effective on chrome plated wheels, wire wheels, coated wheels, and painted surfaces with heavy oxidation.

NOT FOR USE ON POLISHED ALUMINUM.

Do Not apply to hot windshields.

Apply properly diluted NO DOUBT via spray rig or foaming device. Always apply from bottom to top.

Allow to stand for no more than 5 minutes, then pressure wash surface.
For Heavy Build-up: Dilute 1 part NO DOUBT with 4 parts water
For Light Build-up: Dilute 1 part NO DOUBT with 9 parts water

Health Hazard Summary

Causes severe irritation and reversible burns to skin. Causes severe irritation and damage to eyes. Mists and vapors can cause irritation to eyes, nose, and throat. Ingestion can cause moderate to severe irritation and burns to mouth, throat, and gastrointestinal tract. May be fatal if swallowed.

Specifications

Appearance.....	Pale blue*
Odor	Pleasant
pH at 1/10 (H.D. MAC/water).....	3-4
Specific Gravity.....	1
Flashpoint.....	None
Dilution.....	Up to 9:1 with water
Foam.....	Medium-High
Hardwater Tolerance.....	Excellent
Rinsability.....	Excellent
Biodegradable.....	Yes
Phosphate-Free.....	Yes
Storage Stability.....	Excellent**
Freeze-Thaw Stability.....	Will freeze***

* light viscosity liquid

** 1 year under normal

*** Usable after thawing with no change in performance. Agitate after thawing and before use.

Package & Handling

275 gallon tote	JBC24830
55 gallon drum	JBC24788
6 gallon pail	JBC24813
