

VULCAN

Heavy Duty Butyl Degreaser

Product Description

VULCAN is an ultra-concentrated, heavy duty liquid cleaner and degreaser with a strong butyl and caustic base. Contains no soap or phosphates, and all surfactants are biodegradable; works equally well in soft or hard water. Ideal for removing excessive oily residues from painted or unpainted surfaces, parking garages, Especially effective in the removal of light polymers, latexes, even petroleum coke. Excellent for degreasing automotive engines, marine engines, metal prep for painting, cleaning painted and unpainted machines and equipment.

Heavy equipment, oil field, truck washing and degreasing, internal tank cleaning, barge and ship cleaning, parking garages.

Uses & Directions

Can be diluted up to 1 to 25 with water. For extreme oil removal, use undiluted for quickest response. For marine engine cleaning, and under-hood auto and truck cleaning, dilute Vulcan with up to 3 parts water. For chassis cleaning, general fleet washing dilute Vulcan with up to 25 parts water. For internal tank washing, use as needed per application. For garage floors, mix 50/50 with water. For kitchen use, dilute with up to 10 parts water, and as needed for vents and grills.

Health Hazard Summary

Causes severe irritation and burns to skin. Causes severe burns and damage to eyes. Mists and spray can be irritating to eyes, nose, throat, and respiratory tract. Harmful or fatal if swallowed.

Specifications

Appearance	Clear, pale amber
pH	13±.5
Specific Gravity	1.09
Percent Active	30-35%
Flash Point	None
Dilution	Up to 25:1 with water
Foam	Low-Moderate
Hardwater Tolerance	Excellent
Ammonia	None
Butyl	Yes
Phosphate	None
Storage Stability	Excellent, indefinite
Biodegradable Surfactants	Yes
USDA Registered?	Yes

Package & Handling

55 Gallon pail
